It explores the fundamentals of teaching and learning encapsulated in the teaching cycle. It will enhance participants effectiveness in the classroom.

It will enable participants understand the British teaching standards and how this can be applied to ensure maximum engagement of students.

What to Expect:

It has 6 modules and over 21 lessons and a few of the topics addressed are

- The British Teaching Standard
- How the brain learns
- Multi-sensory instruction
- Using data to inform assessment
- Bloom Taxonomy
- Identifying and supporting students with learning difficulty

How will the class be delivered?

Hybrid module
6 weeks training with an online course and Live Masterclasses on Zoom (Saturday, 5:30-7pm)

Profile of **Instructors**

Dr Livia Ostafe

obtained her PhD in Early Childhood and Primary Education for Teachers. She has an extensive background in education. She is able to support school leaders and teachers in understanding the impact of specific pedagogies like Early Years Framework and Montessori. Her wealth of experience includes teacher training, lecturing and public speaking. She is currently a lecturer in Coventry University, London.

Beatrice Twumasi

Is a seasoned quality assurance expert who has a wealth of experience in supporting teachers improve their competency in the classroom. She is also currently the head of department in a secondary school in Essex, London. She is a specialist consultant in curriculum design, quality assurance and leadership in education. She is an author and an assessor.

Michael Kaitell

Co-Headteacher at a large primary school in the United Kingdom. Teaching experience spans over 20 years within primary, secondary and alternative education.

He is a local authority moderator and a qualified mentor. Has obtained Chartered London Teacher Status. Member of the Institute of Leadership & Management, Fellow of the College of Teachers, and a licenced Thrive Approach practitioner.

Liz Keable

She is teaching and learning expert who has studied Neuroscience and how this can be used to improve the learning of students.

As a Masters level trainer of adults, Liz has also written and independently delivered, numerous bespoke courses within the education, voluntary and business sectors, whilst also serving as a tutor through other education providers. She has many years of experience improving the well-being and academic outcomes for students. She has over two decades of experience in teacher training, student support and improvement. She has a management qualification from the institute of Leadership and Management.

Angelina Ikeako

She is a School Improvement Strategist with several years of experience across the Education Sector both in the United Kingdom and in Nigeria. She is skilled in supporting schools and teachers improve their academic outcomes. She is a Fellow with the Education and Training Society In London. She has worked alongside Ofsted Inspectors. She is currently Deputy Head in the School Improvement Department in Barking and Dagenham.

Survey results from Previous Course Participants

This course provided information that you think would enhance your performance in your role

This course met or surpassed your expectations

How will you apply what you have learnt

- I will apply everything that I have learnt in my classroom from lesson planning, differentiation, scaffolding, using right resources, giving project taxonomy, assessment and giving feedback to students and self reflection.
V.A, Juniper Hill School Lekki Lagos
- I would apply it in every aspect of my teaching.
Blessing Obi, Geoanne Private School Lagos
- I will implement all I have learnt in my class to make it more fun and interactive. No one would be left behind.
Victoria Abimbola, Elim Christian Academy Abuja
- I will change completely my current style of teaching and now use a more individualistic approach to my teaching style to meet each child's peculiar needs.
Emmanuel Agomoh, Safehands School Abuja
- I will begin to practice all that I have learnt from this program to improve my teaching effectiveness. Also, I will use my knowledge of the Multi-Sensory approach in teaching my pupils.
Okakpu Obianuju Ifechukwu, Dannion Schools Lekki Lagos
- I will use differentiation to meet the requirements of my students by applying the multi-sensory approach to instruction and I will also ensure use the participatory teaching style.
Frederick Kwesie, North Eastern Christian Academy Ghana

What difference do you think the course has made?

Doris Obeki
Head of School -
Lourdes Francis
Schools

Before now, I was teaching the curriculum and not teaching the child. I have also come to understand that every child should have an Individualized Educational Plan (IEP) that works for them.

Adeyinka Okose
School Owner -
GEM Peculiar
School

I now have a better understanding of quality standards in teaching and learning. I am now able to support my teachers better because of this course.

Stella Salamatu Alhassan
Teacher -
The Hillside
School

I have learnt a lot from this course. I am going to apply these skills in my lesson planning and teaching style.

Martins Okoronkwo
Teacher -
Virgo Potens
International
School
Port-Harcourt

This course has been an eye opener because many educators interpret learning difficulties as learning disabilities. But now I know the difference and how to support children with these needs

Tolani Agunbiade
Primary
Coordinator -
Mater Dei School

This course has been insightful and comprehensive. All my teachers in school are really excited as we are all learning and applying the course. It has changed the dynamics in our school. It was really worth the investment and more.

Would you recommend this course to a colleague and would you say it was worth the investment?

Other comments about the course

- I loved the live sessions on Zoom and seeing all our coaches and instructors.
- I enjoyed every bit of the lesson. It was fun, impactful and educative. Thank you Golden Links.
- Thank you for this opportunity. I wish it reaches more teachers.
- I enjoyed the project work because different ideas were shared and it was exciting and fun for me.
- It was a great opportunity for me to deepen my knowledge as a school leader without a teaching background.
